The Mona Lisa is one of the most famous paintings in the world. It was painted by Leonardo da Vinci between 1503 to 1519. It is a painting of a woman and she seems to be smiling. No one knows for sure who the woman is.

Every year, millions of people go to see the Mona Lisa. They think the woman's smile is fascinating. They talk about her smile more than anything else. It is not a full smile. In fact, people say her smile is ambiguous. It means unclear or confusing. Maybe she smiles because she is worried. Maybe she smiles because she remembers something. Maybe she smiles because she is about to do something silly. Some people think she is not smiling at all. Her smile is a mystery. That is why the painting is so famous.

You can see the painting in a book or on the internet. But the original painting is in Paris, France. It is in a museum called the Louvre. The Louvre is one of the largest museums in the world. It is also one of the most famous. It used to be the palace of the King of France. But now it belongs to the people of France. It has more than thirty thousand artworks in it. More than 8 million people visit it every year. Most of them go to see the Mona Lisa.

If you go to see the Mona Lisa, you will see that it is kept behind thick glass. You will also that it has a guard. This is because in 1911 the painting was stolen. Nobody Knew where it was for two years. But finally the thief was caught. And luckily the painting was found.

43. The woman's smile is confusing.   a) True   b) False

44. We are almost certain about the identity of the woman in the painting.   a) True   b) False

45. When was the Mona Lisa painted?

46. Why is the Mona Lisa's smile so famous?

47. Write a Topic for the reading: ……………

48. What is the Topic Sentence of the reading?
